WHAT WE DID:We discussed what we were going to do, for the topic Grief.

Neamh made the first draft of the speech.

We met up after school and got a start on the (grief) box, and the tree (tree of thought).

We started to prep all our research.

We met up again, and started printing things out, and finished the (grief) box and tree (tree of thought).

HOW WE DID IT: had our meetings/made the posters and bully box/gaave our speech to the school

ADDITIONAL COMMENTS: We also raised money for cycle against suicide with our 'do 5 to donate 5' initiative
